

# GREATER RENTON FC - FUTSAL

Futsal is a format of five-a-side soccer that is played extensively throughout the world. Some of the world's greatest players like Messi, Ronaldinho and Ronaldo played futsal growing up. It is played on a pitch approximately the size of a basketball court with a ball smaller and heavier than the outdoor ball. The game places considerable demand on technique, movement, tactical awareness and fitness. Futsal is a great skill developer, demanding quick reflexes, quick thinking, and pinpoint passing. Most of all, futsal is very exciting and FUN!

GRFC is constantly encouraging young players to play with skill, creativity, and passion. Futsal is a great avenue for these players to express themselves without too much structure and coaching. GRFC is starting these futsal sessions on **Sundays** beginning October 23<sup>rd</sup> for 8 sessions. The format will be similar to pick up soccer where kids will be put into teams and scrimmage for most of the time. There will be a facilitator organizing the teams and time for the scrimmages.
